

Finding the time to relax and regroup as a family when you're devoting all your energies to caring for a child with cancer, or grieving, can seem almost impossible. But it's vitally important. The Child Cancer Foundation Sunshine Lodge Holiday Homes in Taupo and Queenstown provide the perfect place to take time out together and find the strength to continue your journey.

Making a booking.

Simply contact your local division of the Child Cancer Foundation below. Or feel free to call **0800 4 CHILD (0800 4 24453)** or visit our website at www.childcancer.org.nz

Sunshine Lodge Holiday Homes

Take time out together

**Fully equipped holiday homes
for families living with the
effects of childhood cancer.**

www.childcancer.org.nz

Retreat, relax, re-group.

Long months of treatment can take a significant financial toll on families, and finding funds for a much-needed holiday can be very difficult.

Kindly donated and maintained by The Professionals, the Child Cancer Foundation Sunshine Lodge Holiday Homes in the popular resort towns of Taupo and Queenstown are free of charge to families living with the effects of childhood cancer. And because they're fully furnished and equipped, all that's left to do is have a wonderful and relaxing holiday.

Sunshine Lodge Taupo.

The perfect place for an adventure-packed break or to do nothing at all, beautiful Taupo can cater to every family's holiday needs - winter or summer. And this wonderfully private, large four-bedroom home with views of the marina and just a 10 minute walk/two minute drive to the lake and town centre, is your perfect base.

Sunshine Lodge Queenstown.

Adrenalin-stirring capital of New Zealand, Queenstown's reputation has broadened in recent years to include more relaxing pastimes. This truly is a holiday destination with something for everyone, and this four-bedroom home, high on the shores of Lake Wakatipu, complete with a spring-fed stream, will make your holiday very special indeed.

Just pack your bags, the rest is provided.

Sunshine Lodges take the hassle out of holidays. Just pack a bag and go, because these great holiday homes have everything you'll need:

- bedroom and bathroom linen (with free laundry service on departure)
- laundry and iron
- electric blankets and hot water bottles
- fully equipped kitchen and BBQ
- TV and stereo
- videos, books and toys
- telephones
- heaters
- trampoline and outdoor play equipment.

Book your holiday break now.

Out of fairness to everyone, Sunshine Lodge Holiday Homes can only be booked for a week at a time, from Saturday to Saturday.

Availability is usually very good at off-peak times, and during school holidays we operate a ballot system which is drawn 8 weeks prior to the holiday dates. This gives you plenty of time to find alternative holiday accommodation if you are not successful.

To make a booking or go into the ballot, simply contact your local division of the Child Cancer Foundation. These are listed on the back of this brochure.

We'll be happy to help organise a welcome break for your family.
