

# Professionals Charity Golf Day

Professional's is a Superhero Sponsor of the Child Cancer Foundation which supports Kiwi kids with cancer and their families. Since coming on board as sponsors in 1994 Professional's have raised \$4.8m for Child Cancer Foundation so that it can continue to provide tailored support when children and families need it most. Child Cancer Foundation does not receive any government funding so every donation really counts.

Every week, three children are diagnosed with cancer in New Zealand. The Foundation provides financial and practical support to these children and hundreds more and their families every year. Emotional support is also provided through initiatives such as the therapeutic Beads of Courage® programme. Each bead represents a treatment, experience or milestone which enables a child to record, tell and own their cancer stories.

Join us in helping to raise much needed funds for Child Cancer Foundation
